Description:

Formerly a substantial Georgian residence Ballycasey House and its stables have been restored and transformed into a unique business centre located close to Shannon Town Centre. The complex accommodates a wide verity of enterprises from craft companies to professional services. The Centre consists of 8 individual offices located in the former manor house and 20 self contained work shop units situated in to the rear in the converted stables.

Unit 1 Ballycasey House:

Unit 1 is located on the ground floor to the right of the main entrance door. The office has a total of 306 sq ft and enjoys ample natural light, and excellent views of the landscaped gardens to the front. The office is heated by electric storage heating and has a number of power and phone points.

Location:

Ballycasey House is located in a quiet residential area close to Shannon Town Centre. This Business Centre has high levels of accessibility with the main Limerick-Ennis road less than a mile away. Shannon Industrial Estate and Smithstown are also close at hand as is Shannon International Airport.
